

ACH Visitor Guidelines

Visitation is from 7pm - 8pm daily

- All visitors must be checked in before 7pm.
(Check-in is from 6:30pm-7pm).
- Patients must consent before visitation is allowed.
- All visitors must show valid proof of ID. No visitors under the age of 18.
- Only one patient visitor is permitted at a time.
- Please leave personal belongings in your vehicle.
(Bags, cell phones, electronics, etc. are not permitted during visitation).
- Metal detection screening will be performed by security to ensure patient safety.
- All visitors must refrain in the designated visiting locations.
- Gifts, food items, or other miscellaneous items from home are discouraged during visitation. Any outside items, intended for patients use during their hospitalization will be subject to a detailed search by staff. All items determined not appropriate will be sent back with the presenting visitor.
